## **Vision and Mission**

Our Vidya Prasarak Mandal is working with the motto "Vidye Vina Na Jagruti" which means "There is no awareness without knowledge". Our Jagruti Shikshanshashtra Mahavidyalay was established in the year 1990 by Vidya Prasarak Mandal Gadhinglaj.

### **Vision**

To achieve the excellence in B. Ed. Education

### **Mission**

To produce quality teachers who cultivate ethical values, work socially, technically competent and always strive for the holistic development of students.

Continuous efforts are made to achieve the vision and mission of the college by the teachers, non-teaching staff, students and the representatives of the institution. Various committees have been constituted in the college for the smooth running of the day-to-day operations of the college. These committees consist of principals, professors, students, management representatives, social worker representatives, alumni, business representatives, educationists and medical experts. Meetings of each committee are held every three months during the year as per need. Different decisions are taken through the topics discussed in the meeting. These committees work for the smooth running of the college and for the day-to-day operations to be planned as well as for the vision and mission of the college to be achieved.
