The transparency of the college in Academic, Financial, Administrative Work- Report

Our Jagruti Shikshanshastra Mahavidyalaya maintains complete transparency about academic, financial and administrative functioning. Admission process, examination department, IQAC, library facility as well as other physical facilities are well organized internally.

Economic developments

Our college is an unaided college. The total expenditure of the college is done from the amount of Tuition fee collected by the students. All transactions related to deposit and expenditure are done through computerized system. All transactions are documented in soft copy and hard copy format. Tally software is used for accounting. Salaries of teachers and non-teaching staff are made online. Annual audit is done every year by CA. The annual audit is verified by the management before the audit done by the CA. Audit is uploaded on college website every year.

Educational Activities

The admission of the students in the college is based on the merit in the CET examination conducted by the Maharashtra State CET Cell. Admissions are subject wise and category wise. Maharashtra State Reservation Policy as well as NCTE norms are followed. The syllabus prescribed by Shivaji University, Kolhapur is divided into theoretical part and practical part. Planning is done in a fixed period of time. The course is divided into four semesters. Two semesters are completed every year. B.Ed. course is completed after completion

of two years and four semesters. The first year examinations of B.Ed. are conducted by the college as per university rules. The assessment is done by the college itself. Examinations of B.Ed. second year students are organized by the college as per the university rules and evaluation process is implemented by the university. Marks related to internal assessment are submitted to the University in online format and in hard copy format.

Governance transparency

Principals, professors, non-teaching staff and management representatives of institute are all involved in the important administrative decisions of the college. The college is administered as per the university rules. Information regarding important current events in the college is uploaded on the website.
