“No Vehicle Day” - Report

Our Jagruti Shikshanshastra Mahavidyalaya celebrates “No Vehicle Day” on the first and last Wednesday of every month.

On these two days, college principal, professors, teaching, non-teaching staff and students do not bring any two wheeler or four wheeler vehicles to the college. Priority is given to using maximum number of cycles. Along with this, the employees who cannot come by bicycle come to the college by bus.

Two days in a month “No Vehicle Day” is celebrated with the aim of environmental conservation along with pollution free environment.

In order to reduce the use of paper in the office, most of the notices are given to the students through this WhatsApp group. All instructions regarding office work, examination, practical, course information are given to the students through this group by the principal as well as the faculty.

Roads have been made in a good manner for the pedestrians in the college premises and medicinal plants have been planted in the gardens of the college premises. All rules are implemented by the college to reduce the use of plastic.
