### **7.1.8 Well Equipped and Pollution Free College Premises - Report**

The college campus is well equipped and in a pollution free environment. The playground of the college is very big and on this playground various competitions of the schools neighboring the college as well as other colleges are organized. The playground of our college is also used by others.

There is a well-equipped hospital at a distance of 200 meters near the college. An agreement with this hospital has been made to provide facilities for the teaching, non-teaching staff and students of the college. Experts from the said hospital are invited to give health lectures in the college. Women officers are invited to lecture on women's issues.

Through the college students, campaigns are carried out regarding cleanliness in the college premises as well as in the neighboring villages. Cleanliness campaign programs are conducted on the occasion of various days.

The college playground is well used for morning walks, exercise, yoga and meditation for the people from the surrounding villages.

The physical and library facilities of the college are provided to the schools adjacent to the college.
